REGISTRATION AND CREDENTIALS: MotorsportReg.com is our on-line entry system. Go to their website, www.motorsportreg.com and create your user profile, and follow the directions to enter the race or register as a worker. More explicit directions may be found on the NESCCA website or by contacting MSR directly.

1. Drivers should ensure all information submitted to Registration on entries is current, correct and complete, and online registration profiles are properly updated.
2. Registration Credentials - All event participants must register during scheduled hours. Credentials will be issued at Registration and will not be replaced if lost. Anyone arriving after the close of registration must pay a non-refundable admission fee to the track to enter the grounds or wait until the next scheduled registration.
