Cars will come down the hill into turn 10, and make a right turn onto the back straight of the oval, continue through NASCAR 3&4, the pace car will turn into pit lane, and cars will take the green at start finish. Cars will maintain pace car speed

until given the green flag. Cars which do not maintain pace car speed may be black flagged. Starts that are waved off will continue to use NASCAR 3&4, until given the green flag. Any restarts during the race will be made using the normal racing course.

RACE and PIT PROCEDURES:

Sound – NHMS track sound limitation is 99db. Cars posting over 99db will be notified as soon as possible after the first reading.

Last Lap Signal - Whenever possible, the last lap in a race will be shown by the Starter displaying a sign with a number one to the field. This display, or lack thereof, is non-protestable and informational only.

Checkered Flag - A checkered flag may be displayed at additional stations to end a practice session.

RESULTS and TROPHIES:

Results will be posted at the track. Trophies will be awarded for top 3 finishers in each class for Saturday and Sunday afternoon races in accordance with the GCR.
