

Rally Against Leukemia 2020 GTA RoadRally

Saturday, August 8, 2020

The Rally Against Leukemia is a Game-Tour-Adventure (GTA) Rally. After a short odometer check, contestants will receive a map of the Lakes Region of New Hampshire and a list of questions. The objective is to answer as many questions as possible in the least amount of miles.

Rally Against Leukemia 2020 is part of NER/SCCA Race Against Leukemia weekend at New Hampshire Motor Speedway. There should be a post event meal that Rally competitors can opt to participate in. More information as we know it.

All proceeds from this event will be donated to the UMASS Medical Center to aid with their Leukemia research. Contestants are encouraged to collect additional donations from friends and family. The team that collects and turns in the most donations will receive a special award.

Because this is a charity event, meant for fun rather than serious competition, the only limitation to the number of occupants in a vehicle is that the total number of occupants per vehicle cannot exceed the number of seat belts available in the vehicle. Appropriate waivers will need to be completed and signed at registration for all occupants. For teams with more than two adults (over age 18), it is suggested that in the spirit of the charity nature of the event that an additional monetary donation be made for each additional adult at registration.

Start/Finish: New Hampshire Motor Speedway, 1122 Route 106, Loudon, NH. Meeting location TBD. Competitors will need to sign track waivers at the main gate before entering the track grounds to the rally registration area.

Food: Rally participants may join the post event meal

Questions

Further information or questions about the event can be asked of Rallymasters Jon and Kelli Lamkins, 71 Hazelwood Drive, Southington, CT, 06489, jon.lamkins@cox.net, 860-621-5964 (home), 860-620-4839 (cell)

Notes:

- For competitors under 18 years of age, a minor waiver must be signed by both parents or their sole custodian or they will not be allowed to compete.
- Beginning in 2008, the SCCA requires all competitors to be SCCA members. As a result, entries for non-members include a weekend membership. If the competitor so chooses, this weekend membership can be applied towards a discount on a full annual SCCA membership
