WELCOMING ENVIRONMENT:

The SCCA New England Region aims to provide an inclusive, welcoming environment for all participants. To that end, behaviors such as the following will be considered egregious examples of GCR 2.1.7, "Acting in an unsportsmanlike manner", and will be penalized as such:

1. Discriminating against, disparaging or verbally abusing a participant because of their gender identity, ethnicity, marital status, sexual orientation, religion, age, or disability;
2. Harassing, intimidating, threatening or bullying any participant;
3. Doing any of the above outside the confines of an event, or in print or electronic media, in a way that affects that person's participation at an event."

Eligible Vehicles: This is a demonstration event designed to allow people interested in Open Wheel race cars to see how they feel on a race track in order to gauge their interest in joining the class. Cars for this event are limited to Formula Vee or other open wheel cars that are determined by the Chief Instructor to be of similar performance.
All cars must comply with all SCCA General Competition Rules safety regulations with the exception that personal safety belts may be expired if found to be in good condition with no signs of wear, fading or abrasion.

COURSE CONFIGURATION:
Course configuration for this event shall use the North Chicane and NASCAR Turns 1 & 2 for a track length of 1.6 miles.
RACE and PIT PROCEDURES:
Pits and Grid - Pits and Grid areas are restricted to SCCA members who are at least 14 years of age and with appropriate credentials only. Minor Drivers are allowed to drive but participation in other activities in these areas requires appropriate credentials. Trackside signaling may be done only after all cars have taken the Green Flag. (This includes restarts.)
Yellow Light - The Yellow Strobe Light between turns 10 & 11 is used in conjunction with a waving yellow flag at Station 11. The No Passing Zone is from the light to the incident when the light is illuminated. The light may be used for an incident between the light and the corner station as well as an incident past the station.
Sound – **NHMS track sound limitation is 99db.** Cars posting over 99db will be notified as soon as possible after the first reading.
Checkered Flag – a checkered flag may be displayed at additional stations to end a session.
On-Track Contact: All competitors involved in contact during a session must report to "Contact Impound" located in the impound area to submit a report. All on track body contact (including contact during drafting) that causes a car to act erratically and result in a change of position or a car leaving the course will be investigated.
CANCELLATION - The event organizers reserve the right to cancel/postpone this event should circumstances beyond their control develop. When possible, all entrants will receive advance notice of such action with advice on refund arrangements
TRACK RULES - The Chief Steward has the authority and the responsibility for enforcing all rules contained in the GCR, the event Supplemental Regulations, Event Rules and the Track Specific Rules.

EVENT RULES AND PROCEDURES

REGISTRATION AND CREDENTIALS: MotorsportReg.com is our on-line entry system. Go to their website, www.motorsportreg.com and create your user profile, and follow the directions to enter the race or register as a worker. More explicit directions may be found on the NeDiv website or by contacting MSR directly.

1. Drivers should ensure all information submitted to Registration on entries is current, correct and complete, and online registration profiles are properly updated.
2. Registration Credentials - All event participants must register during scheduled hours. Credentials will be issued at Registration. Lost credentials will not be replaced. All participants (except those on Weekend memberships) must wear their photo ID. Anyone arriving after the close of registration must pay a non-refundable admission fee to the track to enter the grounds or wait until the next scheduled registration.

3. MINOR WAIVERS are now done digitally with SCCA **-** Minors under 18 years of age must have the appropriate minor waiver (signed by both parents or legal guardians) on file digitally at SCCA National office. [how-to info: pittalk.org/scca/new-from-scca-digital-waivers/]
4. Crew - The entry fee paid to New England Region permits access to the track for one driver plus 3 crew. Only the driver, entrant or crew chief can add names on the crew list.
5. Withdrawal of Entry and Refund - A form for withdrawing an entry and receiving a refund in the event that a car cannot compete (car never sets a tire on the track) is available at Registration. The form can be used after an event by mail to the Road Racing Comptroller. Driver cancellations or withdrawals of entries must be made in writing and postmarked no later than August 2, 2023. A withdrawal fee of $35 may be charged for withdrawal after the close of online registration.
6. Entry: A $30 fee will be charged for all checks returned unpaid from the bank
7. Note: All Rules and Specifications that are referenced to a website, or other means, in these Supplemental Regulations shall be those Rules and Specifications in effect at the time Entries are accepted.

PADDOCK, RADIO, GRID and PIT PROCEDURES:

1. There shall be no parking of vehicles on the paved roads; all traffic signs must be obeyed. Any person operating any vehicle must operate that vehicle in a safe manner. Violations will be subject to action by the Chief Steward.
2. Radio Frequencies: Emergency Services, Race and Event Control will use the following radio frequencies for the operation of this event, 151.505. 151.625, 151.700, 151.760, 158.400, 154.5275, 469.55, 461.0375, 466.0375, 464.5125, 469.5125, 451.8, 456.8.
   Although the monitoring of these frequencies is acceptable, their use during the event is not allowed by anyone other than an NER designated official.
3. No track-side signaling prior to green flag or during restart situations.
4. Only hot credentials are allowed in grid and pits. No cold credentials, minors without proper credentials, or pets.

TECHNICAL AND SAFETY INSPECTION:

5. All OWDE cars are required to display an event tech sticker. Stickers will be available at the Tech garage. If the car has a road racing logbook with a current annual inspection a team member should present the vehicle logbook at tech to receive a sticker. If the car currently has no logbook the team must present the car at tech for inspection. Vehicle logbooks can be issued at the event if desired. If you would like to try and get a car log booked and inspected before the event contact Dick Patullo (Patullo@verizon.net) and we will try to find an inspector local to you.

TIMING AND SCORING:

1. No track records may be set in an OWDE session. No points are awarded for OWDE events.
2. OWDE Competitors may participate without a transponder but in doing so the car will not be recognized by Timing and Scoring and may not show up on results. Cars with transponders are required to use fully operational MyLaps (formerly AMB) transponders. Make sure your transponder is on and functioning for ALL SESSIONS. The Transponder # must be given to Registration. *Rentals may be available from the track.*
3. Non-official timing lights may not be within 30 feet of the timing line located at the start/finish line.

GENERAL INFORMATION

1. Meetings – Drivers' meetings may be called. Listen for announcements. Attendance is mandatory.
2. Injuries - To facilitate medical benefit coverage from our insurer, any participant who sustains an injury (no matter how small) should go to Race Medical and have a report completed by the event Safety Steward.
3. Commercial Unmanned Aircraft System (aka "Drone") owners/operators must have proof of FAA certification and $10M of primary liability insurance naming the SCCA, New England Region, and New Hampshire Motor Speedway as additional insured. A general liability insurance policy must specify that it includes the operation of Unmanned Aircraft. Recreational use of unmanned aircraft is prohibited.

Open Wheel Driving Experience (OWDE) Supplementary Regulations

Driver Eligibility: Drivers should meet the following:

1. Those who hold a valid government issued driver's license.
2. Current SCCA membership (weekend memberships are available at registration) is required.
3. All drivers aged 14 to 17 must contact event officials before the event and provide a completed SCCA MS-L minor waiver (Form MS-L).
4. A SCCA Time Trials or Competition License is not required. A Time Trials license may be obtained at timetrials.scca.com

All drivers must attend all mandatory drivers' meetings, classroom sessions and debrief sessions and must drive in a manner consistent with the safety nature of the event.

Personal Safety Equipment All drivers must have and wear personal safety equipment including suits, helmets and restraints meeting SCCA General Competition Rules. Driver neck restraint system is not required but ***strongly*** recommended.

Eligible Vehicles: This is a demonstration event designed to allow people interested in FV race cars to see how they feel on a race track in order to gauge their interest in joining the class. Cars for this event are limited to Formula Vee or others open wheel cars that are determined by the Chief Instructor to be of similar performance. All cars must comply with all SCCA General Competition Rules safety regulations with the exception that personal safety belts may be expired if found to be in good condition with no signs of wear, fading or abrasion.
