WELCOMING ENVIRONMENT:

The SCCA New England Region aims to provide an inclusive, welcoming environment for all participants. To that end, behaviors such as the following will be considered egregious examples of GCR 2.1.7, "Acting in an unsportsmanlike manner", and will be penalized as such:

1. Discriminating against, disparaging, or verbally abusing a participant because of their gender identity, ethnicity, marital status, sexual orientation, religion, age, or disability;
2. Harassing, intimidating, threatening, or bullying any participant;
3. Doing any of the above outside the confines of an event, or in print or electronic media, in a way that affects that person's participation at an event.

COURSE CONFIGURATION and START:

1. **Course configuration** for this event shall use the full 2.3 mile track in counter clockwise direction.
2. **Starting Procedures** – All starts will be SCCA Standard Rolling. Cars will maintain pace car speed until given the green flag. Cars which do not maintain pace car speed may be black flagged.

RACE and PIT PROCEDURES:

2. **Sound** – **Whiskey Hill Raceway track sound limitation is 100db. Cars posting over 100db at any place on the track will be black flagged.** The driver will be allowed to attempt a remedy to functionally alter the vehicle to reduce the sound level before his/her return to the track. Cars posting over 100.000 may be excluded from the event. **NOTE: 100db is the absolute max; 100.001 is over the limit.**
3. **Last Lap Signal** - Whenever possible, the last lap in a race will be shown by the Starter displaying a waving white flag to the field. This display, or lack thereof, is non-protestable and informational only.
4. **Checkered Flag** - A checkered flag may be displayed at additional stations to end a practice session.
5. **On-Track Contact:** All competitors involved in contact during a session must report to "Contact Impound" located in the impound area to submit a report. All on track body contact (including contact during drafting) that causes a car to act erratically and result in a change of position or a car leaving the course will be investigated.
6. **Results** - Results are unofficial and will be posted at the track. Log Books will be available one hour after on-track sessions are over or when announced.
7. **Cancellation** - The event organizers reserve the right to cancel/postpone this event should circumstances beyond their control develop. When possible, all entrants will receive advance notice of such action with advice on refund arrangements.
