

# **Rally Against Leukemia 2024 GTA Road Rally**

## **Saturday, September 7, 2024**

Rally Against Leukemia is a Game-Tour-Adventure (GTA) Rally. After a short odometer check, contestants will receive maps of central Massachusetts and a list of questions. The objective is to answer as many questions as possible in the least amount of miles.

Rally Against Leukemia 2024 is sanctioned by NER/SCCA as a GTA Event.

All proceeds from this event will be donated to the UMASS Medical Center to aid with their childhood leukemia research. Contestants are encouraged to collect additional donations from friends and family.

*Because this is a charity event, meant for fun rather than serious competition, the only limitation to the number of occupants in a vehicle is that the total number of occupants per vehicle cannot exceed the number of seat belts available in the vehicle. Appropriate waivers will need to be completed and signed at registration for all occupants. For teams with more than two adults (over age 18), it is suggested that in the spirit of the charity nature of the event that an additional monetary donation be made for each additional adult at registration.*

**Start/Finish:** Palmer Motorsports Park, 58 West Ware Rd, Palmer, MA. Meeting location TBD  
(Teams need to sign track waiver at the gate before proceeding to registration in the track infield)
