--	---	---

The New England Region, SCCA, welcomes you to the NER “Last Chance” U.S. Majors Tour @ TSMP. This event will be held on August 15 & 16, 2025 at Thompson Speedway Motorsports Park (TSMP). The U.S. Majors Tour event includes two qualifying sessions and two races. Race 1 of the U.S. Majors Tour races are 20 minutes. Race 2 of the U.S. Majors Tour races are 25 laps or 35 minutes, whichever occurs first.

The SCCA strives to ensure that ALL participants in its events and activities enjoy a welcoming environment. The SCCA supports equality of opportunity and treatment for all participants and will make every effort to maintain an environment that is free of harassment, discrimination, and any behavior that interferes with a safe, fun, and exciting experience. A commitment to a welcoming environment and the SCCA Values is expected of all its members and attendees, including drivers, workers, crew, guests, staff, contractors and exhibitors, and other participants at SCCA activities, sessions and social events and when representing the SCCA in print or electronic media.

SUPPLEMENTAL REGULATIONS (updated 7/23/25)

This event is governed by the 2025 SCCA General Competition Rules (GCR) and Category Specifications, as amended for 2025 per “Fastrack” and these Supplemental Regulations.

Registration and Credentials: All persons participating in this event must obtain appropriate credentials from Registration, located in the classroom (between the garages and store). Registration hours are:

Thursday August 14	7:00 pm – 9:00 pm
Friday August 15	7:30 am – 10:30 am
Saturday August 16	7:30 am – 10:00am

Express Tech is available at registration for drivers with a current Annual, a 2025 gear tech notation in the vehicle logbook, and no notations in the vehicle logbook.

PAYMENTS & REFUNDS:

Payments: All persons seeking to participate are encouraged to register online at msreg.com/NER-Majors-2025. Registration may also be made by paper form, attached, or at the track during registration hours; the paper entry form includes instructions for delivery. Entries that require a signature or special pickup will not be accepted. **Telephone registration is not accepted.**

A valid credit card must be added in MotorsportReg in order to complete your entry. (MC, Visa, Discover, American Express accepted). Credit Card payments will not be processed until the driver registers at the track. Checks & cash will be accepted at Registration at the track.

A \$50.00 accommodation fee will be charged for any returned check or refused credit card payment. No entry will be final until all fees are received.

Refunds: Entry fees will not be refunded if the driver has turned a wheel on course during the event. Requests for refunds may be made at registration or must be received by the NER Road Racing Comptroller (Dick Patullo patullo@verizon.net; 370 Chapin Rd., Hampden, MA 01036) no later than August 20, 2025.

C. PASSES: There is no fee for workers, for up to three crew for each entrant/driver, or for officials.

D. GARAGE RESERVATION:

Garage reservations can be made on-line at [Reservations – Thompson Speedway](#)

E. PREFERRED NUMBERS: Every effort will be made to honor Conference Preferred Numbers until 14 days prior to the event (Thursday July 31, 2025), except when drivers holding the same Preferred Number request that number in the same run group. In that case, the Preferred Number will be assigned to the driver with the earlier entry date. The Chief Registrar will attempt to contact the affected driver by telephone or email. Changes to assigned numbers must be made through online registration before July 31, 2025. Changes after this date may be made on-site at Registration.

F. PADDOCK/PARKING INFORMATION:

Gates will open at 9am on Thursday August 14 for competitors.

Thompson Speedway Motorsports Park staff will be parking all competitors.

Groups who would like to park together should plan on arriving together, or contact the TSMP office directly to make arrangements no later than Tuesday, August 12 [860-923-2280].

II. DRIVER INFORMATION

A. DRIVER ELIGIBILITY:

Each driver must be a current member of the SCCA and hold a SCCA Full Competition license to participate in this event. SCCA Pro Racing licenses are not acceptable. If you do not have the proper credentials, it is your responsibility to contact the Registrar prior to the event.

B. CAR ELIGIBILITY:

Competition is open to all cars conforming to the GCR, as amended, for all Majors-Eligible classes

C. TIMING & SCORING:

All cars are required to use fully operational MyLaps (formerly AMB) transponders, and the driver is responsible for providing correct information to Timing & Scoring. Make sure your transponder is on and functioning for ALL SESSIONS. Information gathered from personal timing and data collection systems is unofficial and will not be used by race officials. Cars without working Transponders will not receive times.

Rental units are available from T&S for \$60. Payment must be made to Registration before picking up the transponder from T&S in the tower. Collateral of driver's license or other significant ID document will be required.

Non-official timing lights may not be within 30 feet of the timing line located at the start/finish line. Timing devices must not be attached to or in contact with the Armco pit guard rail or posts.

D. COURSE:

The track length is 1.7 mile course (long course), run in a clockwise direction. No motorized or wheeled vehicles, e.g., bicycles, skateboards, etc., are permitted on the track surface before the start of the day's on-track sessions and after the end of the day's on-track sessions without the prior approval of the Chief Steward or Race Director.

E. BLACK FLAG:

Black Flag station is 9. Report to Pit Lane driver's right past the start stand.

F. FLAGTRONICS PANELS (added 7/23/25):

The Flagtronics system display boards will be in use for this event to provide additional visibility to the flag conditions in low light situations by using LED panels at the corner stations. Installation and use of in-car display is NOT required. If there are any conflicts between the LED boards and the cloth flags, drivers shall adhere to the more restrictive flag condition.

G. SOUND CONTROL

is in effect. The sound microphone is located driver's left on the front straight near Start/Finish. The maximum permissible sound reading is 103dB. Sound readings are posted at the base of the Timing Tower.

H. HARDSHIP LAPS:

Hardship laps (if scheduled) will be available for a limited number of cars between sessions, time and schedule permitting. A hardship lap is defined as a single lap from pit out to pit in. To request a hardship lap, please visit the Stewards of the Course ("Black Flag" location).

I. AWARDS:

Victory celebrations and trophy presentations will be conducted in the Victory Circle area immediately following each race. SCCA U.S. Majors Tour trophies will be awarded in accordance with the GCR and these Supplemental Regulations. SCCA U.S. Majors Tour Points will be awarded in accordance with the GCR and these Supplemental Regulations.

J. VICTORY LAPS (Saturday Race 2 only):

Winners of all races will receive a checkered flag. The winner of each class in the Saturday U.S. Majors Tour races should proceed immediately following the cool down lap to pit

	<p style="text-align: center;">New England Region – Last Chance Majors A U.S. Majors Tour Event Northeast Conference August 14-16, 2025 Thompson Speedway Motorsports Park Sanction #25-M-64023, 25-EEX-65509</p>	
--	---	---

center to receive a checkered flag and proceed on course for a single Victory Lap; track conditions, weather, and schedule permitting. Drivers shall maintain a safe speed and be wary of safety vehicles and workers. Drivers need not wear helmets or gloves during the Victory Lap. Passengers are permitted in accordance with GCR 6.11.7.

III. CAR SAFETY and TECH INSPECTION

- A. DECALS:** Competition vehicles must display the official SCCA Road Racing decal per GCR section 9.3.29.C (Figure 4.) Stickers will be provided free of charge and may be obtained at tech. (The official SCCA Summit Racing Equipment Road Racing decal does not serve as the Summit Racing Equipment contingency program decal.)
- B. DATA ACQUISITION:** U.S. Majors Tour staff and their delegates may install data acquisition equipment in a competitor's car. This program is to assist the CRB in performance balancing. If selected, participation is not optional and is not protestable. The data collected from the device will not be used for compliance purposes. All cars carrying an SCCA data collection device must report to impound after their session. Failure to do so may result in penalties.
- C. SCALES** are available at Tech to competitors on the schedule posted at Tech. Scales are not available for general use during impound. Scales may be available at other times at the discretion of the Chief Scrutineer.
- Tech** is in the garage building across from the Timing Tower. Annual tech inspections and logbook issuance are subject to tech inspector availability.
Contact: Chief Scrutineer: Paul Messier (rosco349@gmail.com)
- D. SPEC MIATA & SMX COMPLIANCE:** At post-race inspection, Spec Miata and SMX participants may be instructed by the designated Class Compliance Chief (CCC) to remove parts, including but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly of their car, as well as any resulting expenses incurred. The CCC will report any findings of non-compliance to the Race Director, who will then determine the need for a Chief Steward's Action (CSA) or Request for Action (RFA).

IV. QUALIFYING

- A. GRID:**
- Qualifying 1: Starting positions for the first sanctioned, official on-track session will be placed on grid in the order they arrive.
 - Qualifying 2: Grid positions for qualifying session 2 will be determined by a driver's fastest lap during the qualifying 1.
 - Race 1 (Friday): Grid positions for race 1 will be determined by the driver's fastest lap in qualifying 1 or qualifying 2.
 - Race 2 (Saturday): Grid positions for race 2 will be determined by the driver's fastest lap in qualifying 1, qualifying 2 or race 1.

*New Class – no time established

C. RACE: A driver who is unable to maintain a safe pace during qualifying may be black flagged.

V. IMPOUND

A. MANDATORY DRIVERS MEETING: **Impound All** will be given at the end of the first Qualifying session for each group to conduct a drivers' meeting. All drivers' meetings will be held at the base of the Timing Tower. Look for the signs for proper direction.

B. SPLIT STARTS: The Race Director will consider requests for split starts at the Drivers Meeting.

C. IMPOUND:

- Qualifying 2: Post Qualification Impound is Mandatory. Competitors in each class shall report to impound for technical inspection after exiting pits and prior to returning to the paddock. Failure to report to impound may result in disqualification or other appropriate penalty.
- Race 1: The top three competitors in each class shall report to impound immediately following the completion of their race. Trophy presentations and photos will occur in the Victory Circle area near impound following the race.
- Race 2: Impound all following completion of the race for podium ceremonies. Victory celebrations and award ceremony will be conducted in the Victory Circle area near impound following Saturday's races.

D. CONTACT: GCR Section 6.11.1.E requires the driver and car, involved in significant body contact, to stop at the designated "Contact Impound" located in the impound area to submit a report for review of the incident by stewards. Drivers shall satisfy this requirement by reporting to the Race Director or their designee during Impound of their sessions. Drivers who do not satisfy this requirement will be referred to the Stewards of the Meeting (SOM).

--	---	---

GENERAL

- A. RACE LENGTH:** Race 1 will be 20 minutes. Race 2 will be 35 minutes or 25 laps, whichever occurs first.
- B. STARTS:** Starts will be conducted per GCR.
- C. RACE CLOCK:** The Race Clock will be started for either a timed or lap race when the lead car crosses the time loop/Start-Finish whether or not the race is started or aborted after the prescribed pace lap(s). The Race Clock will not be stopped unless directed by the Race Director. In the case of a long delay and the time limit for either a lapped or timed race has expired, the Race Director may convert the race to a specific number of laps to allow for a “Green, White, Checker” to complete the race.
- D. LAST LAP:** If/When the Last Lap indicator (waving white flag) is given at Start/Finish, the next flag at Start/Finish will be a checkered flag. (The lack of a Last Lap indication is not protestable as a Last Lap Indication is only a courtesy.)
- E. RESULTS:** Results will be posted at the base of the Timing Tower (side nearest to impound)
Live timing may be available during the event on Race Monitor. Live timing information is neither official nor protestable.
- F. START TIMES:** Schedule times are cars on course.
1. For Qualifying, the session clock starts when cars are released from Grid.
 2. Race session clock starts when the first car crosses the Start/Finish control line after the scheduled pace lap.
- G. EVENT SCHEDULE / RUN GROUPS:** The schedule as published is for planning purposes only. Actual session start times may vary from the published schedule based on forces of nature, on-track incidents or other unforeseen circumstances during the event. It is the driver’s responsibility to listen to the PA system and pay attention to activity on track. The schedule and run groups may only be changed (or start times advanced) at the discretion of the Race Director, with concurrence by the Event Chair, depending on pre-race entry counts or as needed to accommodate situations during the event.
- H. CANCELLATION:** If part of an event is cancelled for reason of safety or forces beyond the control of the New England Region as provided by GCR App.B.1.2, points shall be awarded based on a decision by the SOM.
- I. CLOTHING:** Safe apparel must be worn in the “Hot Areas” at all times. Only SCCA Members having valid credentials are permitted in "Hot Area" access. Closed-toed shoes are required in “Hot Areas.” The pits and grid are” Hot Areas.”
- J. PIT LANE:** Drivers are to maintain a safe speed on Pit Lane with **absolutely** no racing.
Crew members on pit lane must display their event credentials at all times while on pit lane.
No more than one (1) person per team is permitted across the pit wall, and only for the purpose of signaling the driver, and that person must immediately return across the pit wall after signaling the driver.
- K. PITS and GRID** areas are restricted to SCCA members with appropriate credentials. Persons under eighteen (18) years of age are not permitted in the hot pits or at corner stations unless they hold a valid SCCA Competition License.
